

Sandy Bagga

An experience designer building meaningful narratives

+1 (778) 855-6870 sbagga@sfu.ca sandybagga.com

I'm a senior design student based in Vancouver, BC. I'm interested in brand strategy, user journeys, and product design. I think interactions with an ecosystem of apps, products, and services can and should be analysed from a psychological perspective.

SKILLS

Experience Design UX/UI Design Interaction Design Visual Design Prototyping **Brand Strategy User Testing**

WORK EXPERIENCE

Visier Inc.

UX/UI Designer - Intern / Jan - Aug 2017

Designed and delivered a critical user experience during a transition to a new visual design language Generated visual elements (icons, toasts, etc.) for the styleguide supporting the new design platform Implemented an atomized approach to user interface design that streamlined developer handoff
